A SYSTEMS IN MOTION COMPANY

ABOUT OUR RENTALS

Conveyor Solutions, Inc. has been providing rentals to the distribution, manufacturing and advertising industries for over 15 years. Rentals help during seasonal peaks, testing a new process or in a 3PL where a work cell is temporary.

We have taken our most popular rentals and assembled them so you roll them off the trailer and plug it into your convenience outlet to start using. It's that easy.

WHAT IS INCLUDED?

110V 20' Power cord

Variable speed controller

Rated for 300lbs distributed load

E-stop on both sides

Preassembled on 8" dia casters

Ergonomic Height

Building Relationships One Solution At A Time

All of the conveyors below include electronic end stop photo eye.
